

Pioneer Girls Basketball Team is headed to the State Tournament!

Go Pioneers, Go!

Hello families, students and staff. I am so pleased to be able to share some great news with you all! If you haven't heard yet, our Pioneer Girls Basketball Team is headed to the State Tournament! This is the first basketball game our Pioneers have ever played in at the State Tournament in school history! Our team will be playing their first game at 10:45am this Friday, February 26th. In honor of this achievement I would like to encourage as many fans to attend in person or virtually as possible. To support our athletes, I will be closing all Westfield Schools on Friday.

The large venue in which this tournament is being played has enough safe capacity for spectators and will follow Covid protocols. See the information below if you would like to purchase tickets!

Go Pioneers! We are proud of you!!
