RE: School Closing

Dear Parent/Guardian,

Your child’s safety is of paramount importance. Determination for closing school will be based upon information from the Marquette County Sheriff’s Department, Marquette County Hwy. Department, communication with staff living throughout the district and the National Weather Service. We will make every effort to keep your child safe and minimize lost instruction time. The School District of Westfield is a large geographic area of several hundred square miles and there can be considerable differences in weather conditions throughout the district. This poses significant challenges when determining when to cancel school. We will do our best to “make the appropriate decision in a timely manner.” Stay tuned to the TV/Radio stations listed below regarding school closing.

Please feel free to contact me at (608)296-2141 ext. 1011 if you have additional questions or concerns.

Sincerely,
Bob Meicher
District Administrator

If there is a delayed start, (i.e. one or two hour delay), it will result in a one or two hour delay in the bus pickup time.

- If there is no announcement, school will be held.
- In order for School Messenger (automated phone call, and/or email) to be effective, school offices must have current phone number and/or email information. Those who are not informed by this method should tune in to the TV/Radio stations noted.
- **If parents have any doubts or concerns about the weather they can choose to keep their children home.**
