

Hey Everyone

The Bowls for Hunger program is going to take a different route this year due to COVID.

We will be having a “Little Caesars” pizza sale with all proceeds going to the Marquette County Food Pantry.

We will be having a drive through pick up of frozen pizza products at the high school. You are asked to bring a non-perishable food item, same as in the past. You will receive a stoneware bowl when you pick up your order.

The sale is currently started and you can order online by going to : **pizzakit.com** and then click on **Products**, then click on **Purchase (shop)**, under the heading Purchase and Support a Local Fundraiser click on **Ship my order to the group**.

The group fundraiser ID is : **387979**

I do have paper order forms if you'd rather not order using the online option.

We will distribute orders in the parking lot at Westfield Area High School.

The delivery date is **the week of Dec. 14**

The actual date for delivery will be announced (via email or phone) once the orders are finalized.

Please support this project as you have in the past.

Thanks
