

Westfield Area Band Department Receives Instrument Donation

Due to the generous donation received from school social worker, and recipient of the 2020 Herb Kohl Fellowship Award, Stacey Oliphant, the Westfield Area Middle School Band purchased five instruments for the department's permanent instrument inventory. These instruments will be used by students who are unable to rent or purchase an instrument and would otherwise not be able to participate in band. Mrs. Oliphant donated a portion of the money that she received from the Kohl Award that was designated for school-related programs. The Westfield Area Band Department is very appreciative of this generous and thoughtful gift to our program and our students. Thanks, Mrs. O!
